

We are excited to share the outstanding results of the job placement drive organized by M/s TRIGO for our exceptional trainees at NSTI Mumbai. A total of 89 trainees have been selected for various roles, including Associate Quality, Team Leader, Junior Engineer, and more, with top multinational companies like Bosch, Ford, Hitachi, Kia, and Garret Motions, among others. Their salaries range from INR 16,392 to INR 29,000, and they will enjoy additional benefits such as accommodation. We are pleased that they have been assigned job locations as per their requests. This achievement truly showcases the celebrate of our trainees and the success of our NSTI Mumbai job placement program. Congratulations to all the trainees, and we wish them a rewarding and prosperous journey ahead in their chosen careers!
